Reference lists

Lists similar to this, on special subjects or on topics of current interest, are published from time to time. They may be obtained free of charge by applying either at the central library or at one of the branch libraries.

Those already published include:

Books relating to engraving.
Subject list of Catholic books.
Books about birds.
Books of interest to Sunday-school workers.

The following lists are in preparation:

Books for teachers.
Seattle.
Municipal government.

Municipal Plans

This list of material in the Seattle Public Library on the subject of city planning is printed at this time in the hope of making the books and pamphlets listed of service to the members of the Municipal Plans Commission and to others interested.

The list includes books, pamphlets, reports, and a selection from recent periodical literature. The first part is arranged alphabetically under the names of cities and the second part alphabetically under the names of authors.

1. Grouped by cities

BALTIMORE, MD.

Carrère, J. M., *and* **Brunner, A. W.,** *architects.* Proposed civic development plan. Plates only. (*in* Western Arch., v. 14, Sept. '09.)
